

# AUGER SERVICE KITS

Replacing worn auger bit components can be time-consuming, inefficient, and often leads to unnecessary downtime. Belltec's complete Auger Bit Service Kits provide a smarter, simpler solution. Everything you need to fully restore your auger bit, packaged in one convenient user friendly kit.

## SIMPLIFY MAINTENANCE. ONE KIT AND BACK TO WORK.

### COMPLETE AND EASY SOLUTION

Maintaining auger bits doesn't need to be complicated. Belltec's Auger Bit Service Kits provide everything required to fully restore worn auger bits. Eliminating guesswork, repeat orders, and unnecessary downtime.

### SMART MAINTENANCE STRATEGY

Instead of reacting to one part at a time, service kits deliver a proactive, complete solution that improves reliability and extends auger bit life.

### WHY CHOOSE SERVICE KITS?

**All-in-One Convenience.** Everything needed for a complete rebuild is included in one box. No missing parts, no follow-up orders.

**No Guesswork.** Kits are configured for each auger size and series, eliminating ordering errors and part mismatches.

**New Hardware Included.** Every kit includes new nuts/bolts, or tooth retainers, ensuring a smooth and frustration-free installation.

**Simplified Purchasing.** One SKU replaces multiple line items, reducing paperwork and speeding up procurement.

#### Whats Included?

Each kit contains all wear components need to outfit the auger bit and return it to new condition.

- Correct number of teeth
- Pilot bit
- Replacement hardware

#### Availability:

Service Kits are available for the following Belltec Auger Bit Series: **DCA, SDA, and BHD.**

Proudly located in Belton, Texas, Belltec Industries has been designing, patenting, and producing innovative construction attachments for the mobile construction and off-highway equipment industry for over thirty years.
